### KNOW A PERFORMER???

We are always looking for performers ages 6-22 years of age to compete in our shows. Whatever your talent (sing, play, dance, etc), we would love to have you at one or all of our shows this season! Spread the word to your family and friends that all are welcome! You will meet many new people who share a love of the arts and a passion for performance.

HTS was created in order to provide an opportunity for youth to not only showcase their talent, but to develop confidence and self-esteem in themselves. By supporting HTS, you are not only supporting the arts, but you are helping young people grow into beautiful, confident adults by learning important life skills through the magic of music!
